

April 19, 2022

To: Medivator (Cantel) U.S. Customers

Subject: Product Update Notification

Valued Customers:

Due to Evoqua Water Technologies LLC acquiring Renal Systems and Therapeutic Technologies which consists of Dialyzer Reprocessing, Concentrates and Filtration product lines of the US Cantel Medivator Business on January 3, 2022, there were changes in product ownership.

Effective May 1, 2022 there will be additional changes in the order placement and support for certain products. For a complete part listing, [click here](#). The table below lists core products and brands impacted by this change. To place an order or to inquire about these products, please note the changes below and contact the appropriate representative:

Products / Brands

RENATRON® Series, Parts and Accessories
ON DEMAND® Autodilutor
CENTRISOL® and RENASOL® Concentrates
RENALIN® Cold Sterilant
ACTRIL® Cold Sterilant
HEMOCONCENTRATOR Filters

Contact Information

Order Entry: HPAftermarket@evoqua.com
EDI Customers: EDIAftermarket@evoqua.com
Sales: [Contact Sales \(evoqua.com\)](mailto:Contact Sales (evoqua.com))
1-800-466-7873

Website: www.evoqua.com

All orders must be placed with Evoqua starting May 1, 2022. All open orders at May 1, will be fulfilled and invoiced by Evoqua. If this requires a new PO, please contact your Evoqua representative. All Purchase Orders should reflect Evoqua as the vendor. All products/brands will have a new part number for order entry. For a complete product listing, [click here](#). All pricing will remain unchanged for 2022 unless noted otherwise.

As always, our sales and customer care specialists are available to help with any questions or needs that you may have. We appreciate your continued business and look forward to serving you in 2022 and beyond.

Sincerely,

A handwritten signature in blue ink, appearing to read "Greg Reny".

Greg Reny
Senior Vice President and General Manager
Evoqua Water and Filtration Businesses
